

Restriction Requirement
Application No. 10/823,861

Docket No. 5000-1-535

REMARKS

By this Office Action, the Examiner has required restriction to one of the following inventions under 35 U.S.C. §121:

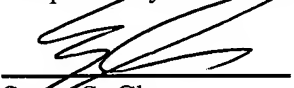

- Group I Claims 1-16, drawn to a product, classified in class 428, subclass 542.8.
- Group II Claims 17-21, drawn to a method, classified in class 264, subclass 1.24.

Response to the Requirement for Restriction, Applicants elect to prosecute the invention of Group I, with traverse Claims 1-16, drawn to a product.

No fees are believed to be necessitated by the foregoing Response. However, should this be erroneous, authorization is hereby given to charge Deposit Account No. 502-470 for any underpayment, or credit any overages.

In view of the above, withdrawal of the Requirement for the Restriction is requested, and an early action on the merits of the Claims is courteously solicited.

Respectfully submitted,

Steve S. Cha
Attorney for Applicant(s)
